

**Engagement Report for Clinical Commissioning Policies**

<b>Unique Reference Number</b>	1629
<b>Policy Title</b>	Bortezomib for relapsed/refractory mantle cell lymphoma
<b>Accountable Commissioner</b>	Lisa Jordan
<b>Clinical Reference Group</b>	Chemotherapy
Which stakeholders were contacted to be involved in policy development?	<p>A policy working group was established as per NHS England policy, clinical and PPV reps were members of the chemotherapy CRG.</p> <p>All CRG members and registered stakeholders were sent copies of the draft policy documents for comment.</p>
Identify the relevant Royal College or Professional Society to the policy and indicate how they have been involved	<p>All of the relevant Royal Colleges and professional societies have membership on the CRG. These include:</p> <ul style="list-style-type: none"> <li>British Oncology Pharmacy Association</li> <li>Royal College of Pathologists</li> <li>British Society for Haematology</li> </ul> <p>A representative for each group was sent all policy documents and given the opportunity to comment.</p>
Which stakeholders have actually been involved?	CRG members and a response from one registered stakeholder regarding draft documents
Explain reason if there is any difference from previous question	N/A
Identify any particular	None

<p>stakeholder organisations that may be key to the policy development that you have approached that have yet to be engaged. Indicate why?</p>	
<p>How have stakeholders been involved? What engagement methods have been used?</p>	<p>As per policy development process all CRG members and CRG registered stakeholders have been sent draft policy documents for comment.</p>
<p>What has happened or changed as a result of their input?</p>	<p>No changes have been made to the policy proposition. Only one comment was received regarding the evidence in support of the drug/indication. This evidence had already been considered by the policy working group and so the decision for not routine commissioning has not changed.</p>
<p>How are stakeholders being kept informed of progress with policy development as a result of their input?</p>	<p>Communication will be according to NHS England policy development process</p>
<p>What level of wider public consultation is recommended by the CRG for the NPOC Board to agree as a result of stakeholder involvement?</p>	<p>The CRG recommends 30 days public consultation based on the level of stakeholder response and the nature of the policy.</p>
