

Engagement Report for Specialised Commissioning Policies

Unique Reference Number and NICE ID	1703 ID006
Policy Title	Susoctocog alfa for treating acquired haemophilia
Accountable Commissioner	Will Horsley
Clinical Lead	Dan Hart
Clinical Reference Group	Specialised Bleeding Disorders
Which stakeholders were contacted to be involved in policy development?	Specialised Bleeding Disorders CRG and registered stakeholders The Haemophilia Society Rare Disease UK Genetic Alliance UK
Identify the relevant Royal College or Professional Society to the policy and indicate how they have been involved	Members of the UK Haemophilia Centre Doctors' Organisation (UKHCDO) were directly involved in the development of the documents as members of the policy working group. The UKHCDO and the National Haemophilia Database provided information for the budget impact assessment
Which stakeholders have actually been involved?	Specialised Bleeding Disorders CRG and registered stakeholders
Explain reason if there is any difference from previous question	Patient and carer organisations declined the offer to participate in the development of the policy. The Haemophilia Society do not cover patients with acquired haemophilia

<p>Identify any particular stakeholder organisations that may be key to the policy development that you have approached that have yet to be engaged. Indicate why?</p>	<p>None. The relevant organisations were involved in the development of the documents</p>
<p>How have stakeholders been involved? What engagement methods have been used?</p>	<p>Policy working group meeting and subsequent contact for policy development. Stakeholder engagement process. 14 day email engagement exercise with registered stakeholders</p>
<p>What has happened or changed as a result of their input?</p>	<p>Comments have been reviewed by policy working group and amendments made to documents where appropriate</p>
<p>How are stakeholders being kept informed of progress with policy development as a result of their input?</p>	<p>Stakeholders will be kept informed of the policy's progress through NHS England's consultation portal website</p>
<p>What level of wider public consultation is recommended by the CRG for the NPOC Board to agree as a result of stakeholder involvement?</p>	<p>Not all stakeholders made a recommendation. Those that did selected:</p> <p>1 - changes that could reasonably be expected to be broadly supported by stakeholders - up to 6 week consultation</p>
