Which stakeholders were contacted to be involved in policy development?	All CRG registered stakeholders
Identify the relevant Royal College or Professional Society to the policy and indicate how they have been involved	The Royal College of Physicians will be invited to feedback as part of the consultation process.
Which stakeholders have actually been involved?	All stakeholders listed above were invited to comment.
Explain reason if there is any difference from previous question	N/A
Identify any particular stakeholder organisations that may be key to the policy development that you have approached that have yet to be engaged. Indicate why?	None
How have the stakeholders been involved? What engagement methods have been used?	The draft policy was circulated to the full membership of the CRG and registered stakeholders for one week for their views, both to establish whether any amendments to the policy are required, and to understand from their perspective what the key questions to ask at consultation might be. Three responses were received from CRG stakeholders, one from a clinician and two from the pharmaceutical industry. There was support for a 30 day consultation period. The two responses from the pharmaceutical industry suggested additional evidence should be considered, one supported the policy proposition and one did not support it.
