<p>Identify any particular stakeholder organisations that may be key to the policy development that you have approached that have yet to be engaged. Indicate why?</p>	<p>None</p>
<p>How have the stakeholders been involved? What engagement methods have been used?</p>	<p>The draft policy was circulated to the full membership of the CRG and registered stakeholders for one week for their views, both to establish whether any amendments to the policy are required, and to understand from their perspective what the key questions to ask at consultation might be. Four stakeholders responded. One response requested changes to the wording in the clinical evidence review to add clarity. All stakeholders responses requested additional clarity on exclusion criteria.</p>
<p>What has happened or changed as a result of their input?</p>	<p>Stakeholders were invited to comment.</p> <p>The policy proposition has been updated to improve clarity of the clinical evidence review summary and additional details for criteria for commissioning.</p> <p>This engagement report will form part of the consultation on the policy proposal. Stakeholders will be notified of the consultation dates.</p>
<p>How are stakeholders being kept informed of progress with policy development as a result of their input?</p>	<p>Not applicable</p>
<p>What level of wider public consultation is recommended by the CRG for the NPOC Board to agree as a result of stakeholder involvement?</p>	<p>Public consultation for a period of 30 days as supported by the majority of stakeholders</p>
