How have the stakeholders been involved? What engagement methods have been used?	The draft policy was circulated to the full membership of the CRG and registered stakeholders for one week for their views, both to establish whether any amendments to the policy are required, and to understand from their perspective what the key questions to ask at consultation might be. Three stakeholder responses were received. Two responses indicated that no changes or additions need to be made to the policy proposition. One response requested that NHS England commissions appropriate research in the use of dornase alpha in non-CF bronchiectasis; this proposal will be discussed at NHS England's Research Priorities Panel. No changes have been made to the policy proposition.
