

Engagement Report for Clinical Commissioning Policies

Unique Reference Number	E03X07
Policy Title	Temperature-controlled laminar airflow device for persistent allergic asthma (children)
Accountable Commissioner	Rachel Lundy
Clinical Reference Group	Paediatric Medicine
Which stakeholders were contacted to be involved in policy development?	Paediatric Medicine CRG members Registered Paediatric Medicine CRG stakeholders
Identify the relevant Royal College or Professional Society to the policy and indicate how they have been involved	Representatives of relevant Royal College or Professional Societies were contacted for Stakeholder Testing as part of the CRG
Which stakeholders have actually been involved?	All of the key stakeholders listed above were invited to comment
Explain reason if there is any difference from previous question	Not applicable
Identify any particular stakeholder organisations that may be key to the policy development that you have approached that have yet to be engaged. Indicate why?	None
How have the stakeholders been involved? What engagement methods have been used?	The draft policy was circulated to the full membership of the CRG and registered stakeholders for one week for their views, both to establish whether any amendments to the policy are required, and to understand from their perspective what the key questions to ask at consultation might be. One response was received from a pharmaceutical company which requested minor wording amendments be made to the policy proposition in regards to references to omalizumab.
What has happened or changed as a result of their input?	Stakeholders were invited to comment. Minor wording amendments were made. This engagement report will form part of the consultation on the policy proposal. Stakeholders will be notified of consultation dates.

FOR PUBLIC CONSULTATION ONLY

How are stakeholders being kept informed of progress with policy development as a result of their input?	This engagement report, along with the policy proposition will be circulated as part of the public consultation. Stakeholders will be notified and invited to comment further.
What level of wider public consultation is recommended by the CRG for the NPOC Board to agree as a result of stakeholder involvement?	Public consultation for a period of 30 days as supported by stakeholders.
