Equal Access to Health Services

We are committed to providing equal access to health services for everyone.

Your answers to these questions will help us to plan local health care. We can also find out whether there are any groups of people who we are not hearing from.

You do not have to answer all of the questions. If there is anything you do not want to say, leave the question blank. Your name will not be on the information, so it will be anonymous.

1) How old are you?

Under 18

18-24

25-34

35-44

45-54

55-64

65-74

Over 75
